

Madison Police Crime Prevention Unit

January 2015

Dear Downtown Business and Property Owners,

Currently, the Madison Police Department is attempting to compile a list of all privately owned and operated video cameras in the State St. and Capitol Square areas. Video camera footage can be very helpful for investigations of reported incidents and crimes. With your help, we hope to gather a list of all cameras and their locations. Our goal is to be able to contact businesses and properties after incidents as quickly as possible to retrieve video that could help solve crimes.

Information that we are seeking includes the following:

- *Business Name*
- *Business Address*
- *Cameras – Yes or No*
- *Camera Locations – External, Internal or Both.*
- *Owner/Manager Name/Individual responsible for downloading extracting video along with contact phone & email.*

Your cooperation is completely voluntary, and there is no requirement that you provide this information.

You can respond by email, fax or mail. See the form on other side. If you have questions or need more information, please contact:

*Brayton Grinnell
MPD Crime Analyst
(608) 267-1988
bgrinnell@cityofmadison.com*

*Sincerely,
Madison Police Department*

Madison Police Crime Prevention Unit
